Chicken Burgers with Blue Cheese Mayonnaise

Perfect for barbecues. Packed with flavour, this recipe is absolutely mouthwatering. This really gets going if you add a good handful of crumbled Stilton.

Directions

- Mix the blue cheese mayonnaise with the chives and refrigerate.
- then blend in a food processor until coarsely chopped.
- Heat the oil in a frying pan, add the garlic and shallot and cook for 1–2 minutes until softened. Cool and add to the chicken mixture, along with the tarragon and breadcrumbs. Season and mix well.
- Divide into four and, working with floured hands, shape into burgers. Grill the remaining 4 streaky bacon rashers over a medium heat for 8–10 minutes until crisp, and barbecue or grill the burgers over a medium heat for about 15 minutes, turning once, until tender and cooked through.
- Toast 4 wholegrain rolls on the barbecue or under the grill.
- Arrange salad leaves on one half of each bun. Top with a chicken burger, a spoonful of blue cheese mayonnaise and a bacon rasher, and the other half of the bun.

Serves: 4 Cooking time: 25 minutes

Ingredients

For the burgers
500g skinless and boneless
chicken thighs
Salad leaves to garnish
6 streaky bacon rashers
1 tbsp olive oil
1 clove(s) garlic, crushed
1 shallot, chopped
tbsp fresh chopped tarragon
0g wholegrain breadcrumbs
and freshly ground black pepper

For the mayonnaise 150ml blue cheese mayonnaise 1 tbsp freshly chopped chives (optional)

Organic Organic

A new organic range

After many requests to do so, we are happy to be introducing a new selection of organic products to our range. Appearing under the new 'Walled Garden' brand, these products will be available from January 2008 starting with an organic version of our award winning classic mayonnaise. Other flavours of mayonnaises and dressings will follow.

ORGANIC MAYONNAISE

As with all of our products, our new organic mayonnaise is made in small batches by hand and has the perfect creamy and smooth taste and texture our customers have come to expect.

VANESSA LEIGH AFTERCARE ADVICE

- Use cuticle oil every morning and night. This will not only condition your cuticles but will nourish the root of the natural nail allowing it to produce stronger, more flexible and non-flaking natural nails and prolong the life of your gel manicure.
- Be careful using sun tan lotion, insect repellent and chlorine. Always wash your hands after use.
- Be careful usinf make-up. hair dye, self-tan products and when eating/handling strong coloured foods such as curry and spices as they will stain your manicure. Ensure you use gloves and wsh your hands after application.
- Use protetive gloves for housework, gardening, DIY etc. as household chemicals will damage your manicure and also dry out your natural nail.
- Moisturise your hands every time after washing hands. This will allow the skin to stay smooth and youthful.

The newest addition to Kew's venue portfolio, the stunning, freshly restored Temperate House, which is the largest Victorian glasshouse in the world, re-opened in May 2018 after a five-year closure.

Originally opened in 1862, it is a Grade I-listed show house which is home to some of Kew's largest plants. With pitched roofs and pillars supporting wrought-iron ribs, the House has a mix of decorative motifs, finials, pediments, acanthus leaf capitals, Coade stone urns and statues.

The impressive glasshouse can host your evening wedding reception amongst 10,000 species of rare and threatened plants, making it London's most unique glasshouse for an unforgettable wedding reception.

There's no need to waste time on service charges. We'll do it for you — and it's effectively free.

You can include our fees within the charges. Leaving us to set annual budgets. Apportion costs between tenants. Issue the invoices. And reconcile at year-end. Providing independently verified, RICS-approved certificates.

We've been doing this for more than 20 years. So, to draw a line on service charge admin, call Giles Musson or Steve McDermott on 020 7079 3950.
